COMMUNITY SERVICE & LEADERSHIP

Mount Sinai Hospital, Toronto, Canada

August 2018 – June 2019

Student Volunteer

- Assisted patients staying at the Acute Care for Elders (ACE) inpatient unit with activities of daily living such as eating and walking
- Worked one-on-one with patients having a difficult hospital stay; engagements involved conversations or other leisure activities and typically spanned multiple hours

The O'Neill Center for Long Term Care, Toronto, Canada

December 2018 – April 2019

Dementia Project Student

- Worked collaboratively with a senior with dementia living in a nursing home to create a "life history project" chronicling the life of the senior from childhood to present
- Selected by the University of Toronto to participate in an all-expense covered 7-day trip to the Netherlands to learn about innovative models for long-term care homes

BayCrest Centre for Geriatric Care, Toronto, Canada

April 2018 – September 2018

Volunteer

- Volunteer for the Program for Leisure Engagement for Active and Spontaneous Experiences (PLEASE)
- Independently interacted with elderly residents in a long-term care facility with minimal supervision; typical activities include reading newspapers, talking, playing cards, or walking outside

Metro Vancouver Union, Toronto, Canada

September 2016 – June 2018

Director of Marketing

- Organized marketing campaigns for events utilizing multiple social media platforms and MailChimp
- Managed relations with local sponsors for the club by communicating information about upcoming events

Doctors for Doctors, Toronto, Canada

September 2015 – October 2016

Co-Founder & Director of Outreach

- Co-founded student chapter of Doctors for Doctors at the University of Toronto, a Canadian charity providing financial scholarships for rural Nicaraguan medical students
- Organized outreach to increase club membership and fundraising campaigns
